WHO ARE WE SEARCHING FOR?

Volunteers aged between 18 and 30 years, legally residing in one of the participating and partner countries. We seek a balance of varied ages, genders and nationalities amongst our volunteers. All candidates must be registered in [European Solidarity Corps database](#).

No specific knowledge, skills or experience is required as the necessary ones can be acquired during the project. We are not looking for experienced volunteers but those who would learn a lot during the service in a particular hosting organization and are strongly motivated.

Apart from personal motivation of volunteers our requirement is volunteers' strong will of learning Polish language after selection procedure successfully ends. We need selected volunteers to know a few crucial phrases. Why is this important? Because they will work with children with disabilities and youth, which often do not speak English well or any other language.

HOW TO APPLY

We ask each candidate to send us filled our **APPLICATION FORM**. Candidates can add other documents/personal presentations/ videos/photos/motivation letters to the application form, if they want but please know that applications without our form will not be taken into consideration. The recruitment procedure will take place through European Solidarity Corps portal.

Please send applications to: volunteering@schuman.pl. In the title please write: APPLICATION DECEMBER 2020. We will contact the candidates with best applications and arrange skype/phone interviews. The deadline for applications is 16th November 2020.
