

Volunteer?..

Location: Kaunas, Lithuania

Project activity at: Kaunas Generation House

Duration: 05.10.2020 – 25.06.2021

About the project

The project #iMap invites you to explore solidarity through volunteer-driven cooperation among local host organisation and the relation of humans to their physical environment and its importance in today's world. Join this project and you will be able to promote solidarity and active citizenship by volunteering in a specific hosting organization, participating in and organizing solidarity events, etc.

Your Hosting Organization

It is an institution of mixed social services that brings together elderly without relatives and families in crisis.

Main Aims

To provide social services, meet the needs of each inhabitant, create appropriate, dignified conditions, ensure health care, provide household services, develop the ability of families. Take care of them and their children, help integrate into society, promote communication and cooperation between the three generations.

Your tasks:

Assistance in organizing various activities for different client groups: caring for the elderly, teaching foreign language or computer literacy to elderly day visitors, helping young mothers with children to acquire daily life skills (preparing lunch, shopping, caring for children). Employment, joint events for all residents or visitors.

Apply for this project, if:

- If you can work in a changing and adaptable environment;
- If you like to work with elderly as much as with kids;
- If family values are important;
